Storytime - Storytime! Families with young children are invited to join us for stories, songs and a simple craft. First and Third Saturday of the month, October through May, at 11am.

National Library Week - In honor of this recognition of libraries and all they do for their communities, we are having a "Libraries Lead" prompt and response all month long. Pick up a card and share with us the positive influence libraries have had on your life.

Drop-In Computer Tutoring & Assistance - We will be teaching the fundamentals of computer usage such as key placement, setting up an email account, and other basic, common tasks on a computer. Drop in between 12-2pm on Thursday April 19th.

Earth Day - Come to the library and check out a book on April 21st from 10am-3pm. Take your check-out receipt to the Concrete Saturday market to pick up your free vegetable seedling. For all ages.
